When my husband cheated on me,
my best friend told me
if I was meeting all his needs,
he wouldn't be cheating on me.

After my divorce,
I had sex with her husband.

I miss the days
when we all
matched.

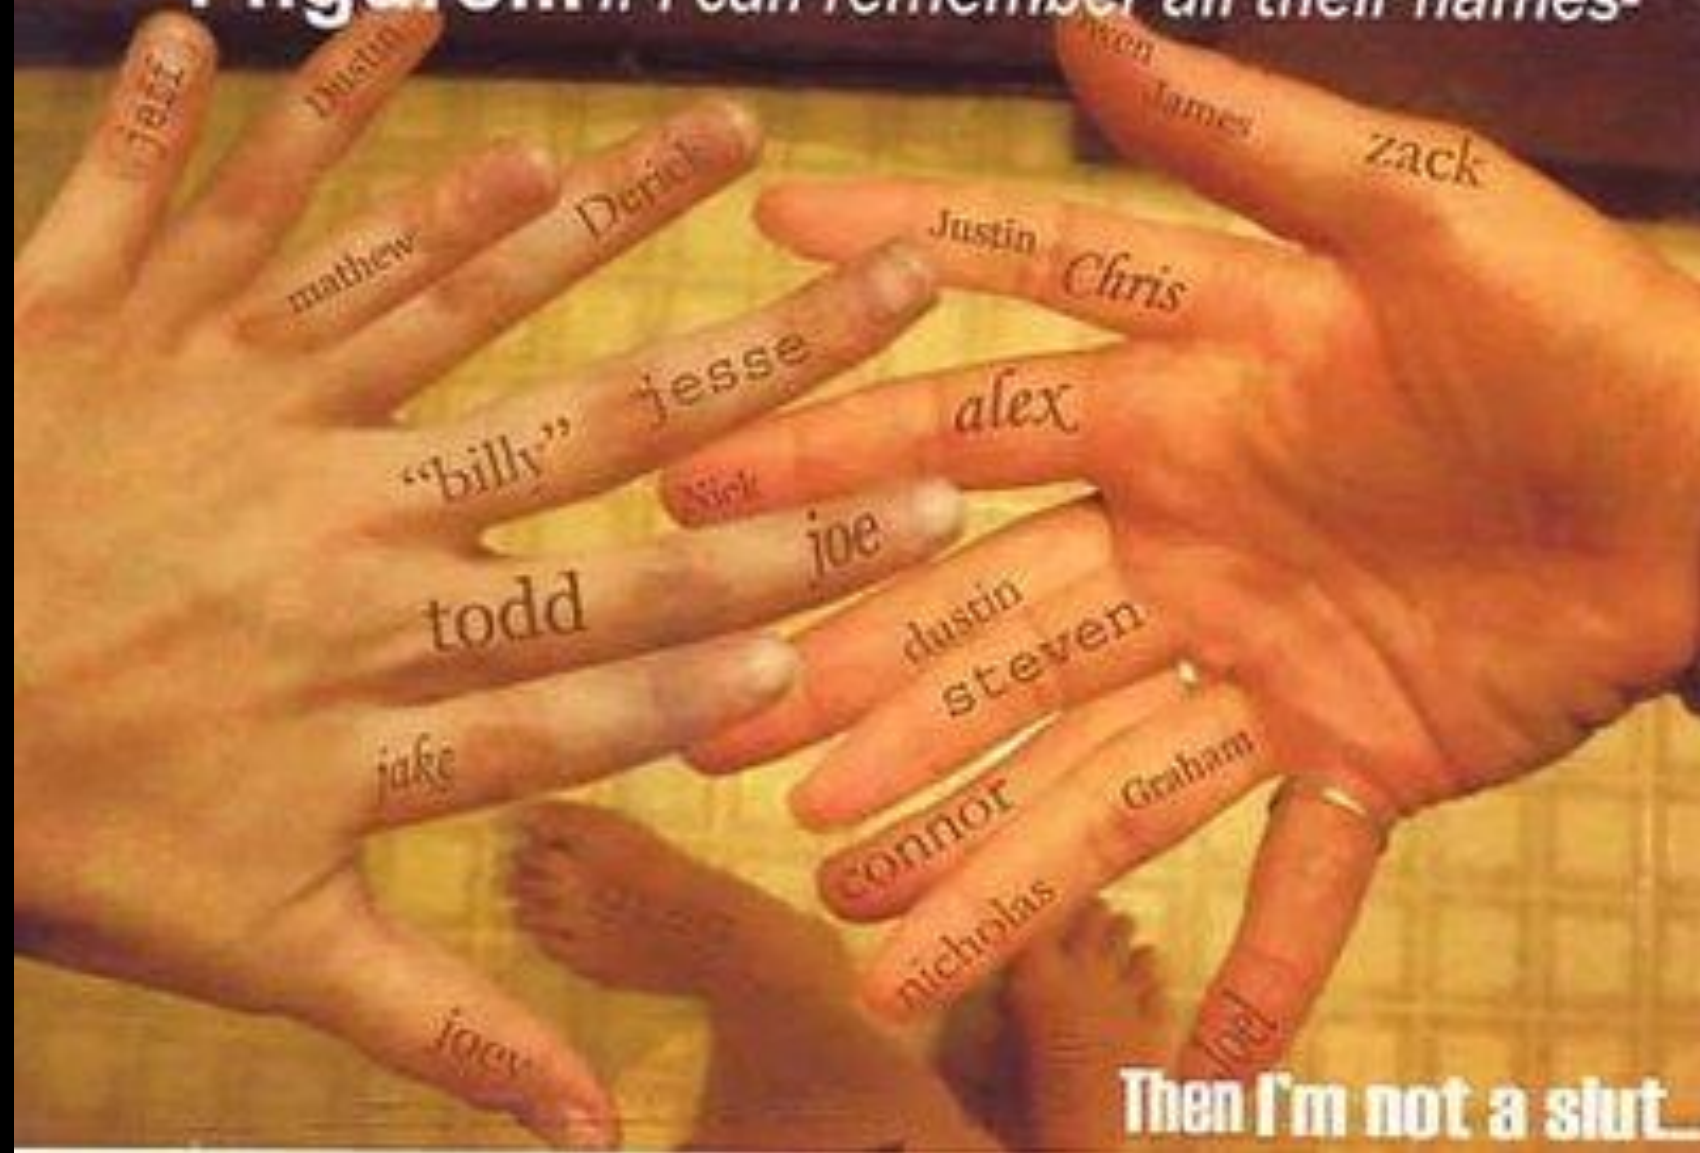

When my grandpa was on his deathbed all I did was send a postcard... It didn't make it on time.

I'm so sorry opa,
I love you and
miss you and
wish I would
have told you.

If a patient is rude to me or mean to his family, I use the largest gauge needle I have to inject him. If a patient is nice, I use a baby needle.

I figure... If I can remember all their names-

Then I'm not a slut.
