

# PAINT WAR

On Saturday, May 1, 2010, we will be having a paint war with **Cyrus Adler** **AZA** at 8:00 P.M. The project will be at Nina's House

come ready to have an amazing night. We will be playing freeze tag with paint, doing several relay activities, and more!

## IMPORTANT DETAILS ABOUT ATTIRE FOR THE NIGHT:

You should wear a **t-shirt** (preferably white) that you don't mind getting **paint all over**, and a pair of **shorts or pants** that you don't mind getting **dirty** either. Consider bringing a **hair tie** just in case you want your hair in a pony tail. Also, please bring a **complete change of clothes** just in case you get really wet and don't want to go home covered in paint. Consider wearing a pair of **flip flops** that you can get wet (you won't need them during the actual paint war, but your feet might be wet later). You should also bring a **towel** to dry off just in case.

You all better BEE there! xoxo,
